

Faculty Helping Students Succeed

MISSION: *To enhance student success through charitable giving.*

PHILOSOPHY: *A student in need, is a student worthy of assistance. With the exception of academic scholarships (which are merit based), the Board of Directors of the MCFF strives to avoid making judgments about the worthiness of any student. The board focuses on two questions: Is there a genuine need? and, Can we meet that need?*

ACTIVITIES:

- **Emergency Grants** – MCFF makes one-time cash grants designed to prevent currently enrolled MCCC students with unforeseen financial need from dropping out of school. The amounts vary and are determined by the MCFF Board of Directors in reference to the particular need.
- **Academic Scholarships** – In the Fall and Spring semesters the MCFF provides scholarship awards of \$250 and \$500 for students who demonstrate the potential for excellence in their academic work.
- **Fund Raising** – The MCFF holds annual fundraisers to increase the amount of assistance that can be provided to MCCC students in need.
- **Awards to Date** – Since its inception in 2007, the MCFF has awarded more than \$50,000 in emergency grants and scholarships to Maricopa students in need.
